

Welcome to Arabic with ADLS Language

WE'RE SO EXCITED TO HAVE YOU ONBOARD!

Thank you for your recent application, you're now enrolled.

Your enrolment allows you access to tutor knowledge, tips, experience, online Arabic sessions, and resources for as long as you continue learning. So that you don't forget; it would be a good idea to set a lesson reminder for your weekly meetings.

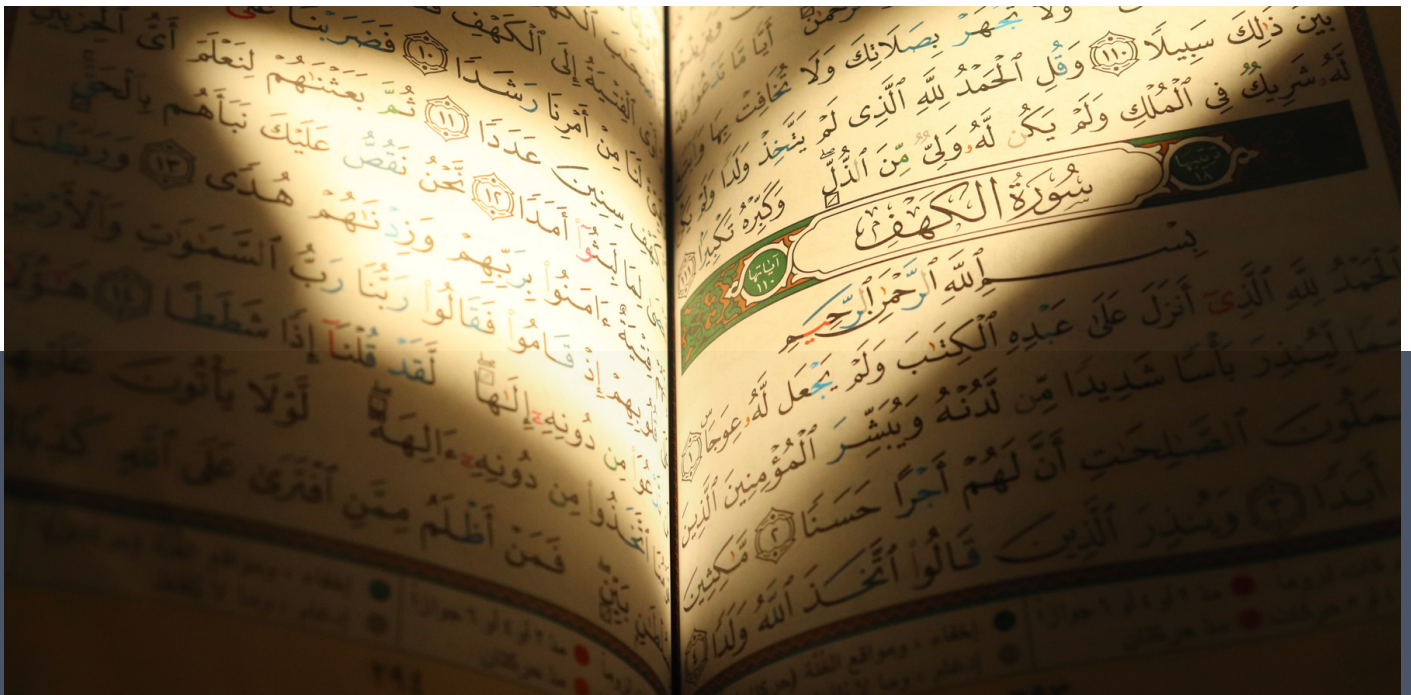

Time will pass very quickly, so we hope the time is used wisely.

WE COVER A LOT OF ARABIC.

From beginners to advanced.

We offer quite a bit of Arabic study, maybe more than most can learn in a couple years. Not to worry; we'll break down all the things that you need to know, no matter your chosen course.

We cover University Arabic study, GCSE Arabic, both higher and foundation tiers, and of course we also tutor Quranic Arabic, and Tajweed, in fact anything Arabic language related.

We provide information, and reminders about lessons, tuition payment, updates, six monthly reports on request, exams advice, past paper script marking, ongoing assessments, testing, and the Duke of Edinburgh teacher feedback.

This is all in addition to the Arabic language lessons you shall receive on a regular basis.

LASTLY

If ever you need help with anything lesson related do not hesitate to get in touch via email, or Skype message/chat. We also have a page that you can view lesson reminders so that you're always prepared, visit <https://www.adls.co.uk/lesson-reminders>.
